

The vision to discover, the experience to get results.

Altus Capital Partners is a private equity firm that makes control investments in lower middle market niche manufacturing businesses. We believe that our exclusive focus on manufacturing provides us with an understanding of the opportunities and challenges faced by companies in the sector. We utilize a disciplined and thoughtful investment approach and seek to partner with the management teams of our operating companies to achieve growth.

Why Altus?

FOCUSED MANUFACTURING EXPERTISE ►

We are focused exclusively on investments in lower middle market niche manufacturing businesses, and we contribute more than just capital to our portfolio companies. We also provide strategic insights and operational support to our portfolio company management teams as they pursue value creation initiatives.

EXPERIENCE ►

Since 2003, Altus Capital Partners has completed investments in a wide variety of lower middle market niche manufacturing companies partnering with portfolio company management teams to drive growth.

RELIABILITY OF CLOSE ►

We have access to capital for new platform companies and add-on acquisitions.

PATIENT, DISCIPLINED APPROACH ►

Altus employs a disciplined investment process investigating investment opportunities through a disciplined due diligence process in order to develop a strategic plan for growth. Further, we use conservative capital structures to provide our portfolio companies with the flexibility needed to succeed in a variety of economic and market environments.

SENIOR LEVEL ATTENTION ►

Our partners are actively involved in the investment process from the early analytical stages, monitoring, and through exit. Portfolio company management teams have direct access to our senior-level professionals and all the resources the Firm offers.

PREFERRED CHARACTERISTICS

- Manufacturers with a strong position in a niche market
- Headquartered in North America, preferably east of the Rocky Mountains (for platform investments)
- EBITDA of at least \$4 million (for platform investments)
- Experienced and committed management team that desires to invest alongside Altus
- Growth opportunities

TRANSACTION TYPES

- Buyouts
- Recapitalizations
- Corporate divestitures
